## Languages

|         |        |
|---------|--------|
| English | C1/C2  |
| Polish  | Native |

## Skills

|              |            |
|--------------|------------|
| Jamstack     | Next.js    |
| Gatsby       | GraphQL    |
| React        | Node.js    |
| Typescript   | JavaScript |
| Playwright   | Cypress    |
| CSS          | HTML       |
| Git          | GitHub     |
| UX/UI design | Figma      |
| SEO          | Writing    |

## Interests

|            |             |
|------------|-------------|
| Philosophy | Science     |
| Tech       | Video Games |
| Workout    | Reading     |

## Publications

I write about web development, design, and more eclectic topics on my blog:  
[gorzelinski.com/blog/](https://gorzelinski.com/blog/)

## Education

|                                                                          |             |
|--------------------------------------------------------------------------|-------------|
| <b>Bachelor of Science Engineer</b>                                      | 2015 - 2019 |
| Poznan University of Technology<br>Electronics and Telecommunications    |             |
| <b>Secondary School Education</b>                                        | 2012 - 2015 |
| K. K. Baczynski High School in Konin<br>Mathematics and Physics extended |             |

## Experience

|                                                                                                                                                                                                                                                                                                                                                                                   |                |
